My wife, Chelsea, and I are lifelong residents of Westerville. We moved to Annehurst Village with our two young sons in the fall of 2015.

Owning my own company has given me appropriate experience to serve as an AVRA board member. My goal is to give back to my community. Annehurst is a desirable neighborhood and I would like to see it continue to thrive. This spring I have been heavily involved with cleaning up the landscaping at the pool. Our pool is a special asset to our neighborhood for many reasons. One of which is that it is a fun, safe place for our kids to make long lasting memories with their school friends over summer vacation.

However, the pool is not my only area of interest in wanting to see Annehurst continue to thrive. I believe there are other opportunities that could assist with implementing the goals and vision of AVRA and its residents. It is important for my generation to get involved and invest in our community to ensure the future of Annehurst (and Westerville) remains bright for the generations after us.

Thank you for your consideration,  
Ben Nichols
