

Janet Laster  
Timberlake Drive

My husband and I came to Annehurst 45 years ago when our daughters were 2 1/2 and 6 months old. We have happy memories of Annehurst School, Easter Egg Hunts, Swim Meets, Trick or Treat, and our wonderful neighbors and friends. Maintaining our welcoming neighborhood for all is my motivation for volunteering and doing whatever I can for AVA and our community.

After a 38-year teaching career at OSU, as a member of the Annehurst Village Garden Club, I helped establish the Annehurst School Rain Garden with school and community organizations, helped maintain and care for the school gardens, and lead the 4th Grade Garden Club for 11 years. Besides safe, clean water facilitated with rain gardens and school and community gardens, my passions include health and well-being of children and families, reading with Annehurst Kindergarteners, raising funds with the Westerville Habitat Partnership for building affordable housing with Habitat for Humanity of D&UC, raising funds for college scholarships for senior girls in Westerville High Schools, providing community Forums for community, state and national issues, hiking in old growth woods, our four grandchildren, new challenges, learning and helping others learn, and collaborating with others to solve community issues.

If you need to cut words, please, do as you see fit. Let me know if you need anything else.

All the best,  
Janet
