

Joe Marinelli
699 W Winmar Pl

My name is Joe Marinelli and I live with my wife Tyler and two kids Addison and Landen. We have lived on Winmar Pl W since February of 2012. Our kids go to Annehurst Elementary where they will be going into 4th and 2nd grades in August. Both Tyler and I spend time volunteering at the school, Annehurst Pool, and multiple sports teams throughout the Westerville community. My hobbies are coaching youth sports, playing soccer, running, going to the pool. I also spend spare time cleaning up the pool's fence line and landscaping. My wife and I also hosted a volleyball tournament at the pool. We are excited to keep this tradition going, so we hope you join us next year. I work for State Auto Insurance as a Strategic Relationship Consultant. In this role, I'm responsible for creating and growing relationships, contract procurement, and strategic planning inside our Claims organization.

Why I want to be an AVRA Board Member: The current board has done a great job supporting the community since I have lived here. I would like to improve on the foundation the past and current board has created. I want to involve the entire community of Annehurst Village to make decisions that improve our neighborhood.

Thank you for taking the time to learn more about me.
